Ranking Points

As the DanceSport Nelson Easter weekend consists of two separate competitions, this is a great opportunity to earn three times the ranking points normally received for a local competition under DanceSport New Zealand's new Athlete Ranking Policy in one weekend. The Championship on Saturday is the first 'Regional' status competition to be held in 2012 and earns double ranking points followed by the Festival on Sunday

earning further points as a 'Local' status competition. View the Athlete Ranking Policy at:

www.dancesport.org.nz/downloads

The ranking system will mean that all licensed athletes in New Zealand will be ranked in their respective age groups depending on the points earned at all DanceSport NZ and NZFATD competitions.

Licences

Athletes competing in all graded events will require a DanceSport NZ Athlete licence – available through sports@dancesport.org.nz or the website www.dancesport.org.nz
